

Budgets & Fundraising

Step one. Figure out how much money you will need to run your program.

Example of costs:

Bus/transportation – Drivers pay - \$20 - \$30/hour

Mileage - \$1.00 per mile

Tournament costs - \$5 per entry –

Small teams average @ 10 entries = \$50

Medium teams average @ 40 entries = \$200

Large teams average @75 entries = \$375

Judges could cost an average of \$25 - \$100 depending on size of team

Extras – Cuttings, t-shirts, subscriptions = \$200 - \$500

Step two. Develop you tournament schedule to determine when you need your money.

Step three. Determine fundraisers and get approved by SBDM/school board.

Step four. Carry out fundraisers. Make sure you have plenty of parental help in any fundraiser you implement.
